PROFILE

Arizona State University Political Science student, expected 2029, with campus communications leadership and internships in Nevada digital media and Arizona field operations. Focused on Arizona law, policy, and public service, with a second pillar in agentic AI development, autonomous workflows, and multi-model collaboration that strengthens research, communication, organization, and verified digital execution.

PROFESSIONAL EXPERIENCE

Campaign Digital Media & Communications Intern

2026 Nevada State Assembly District 12 Campaign · August 2026 to Present · Remote digital support

- Draft and refine source-based social media copy while supporting assigned campaign accounts, website content, digital assets, scheduled communications, review workflows, and publishing details for a 2026 Nevada State Assembly District 12 campaign; coordinate feedback with the candidate, campaign staff, and a collaborating communications teammate.

Political & Campaign Strategy Intern

Roosevelt Strategy Group · June 2026 to Present · Maricopa County, Arizona

- Through Roosevelt Strategy Group, serve as a personal campaign intern supporting a 2026 Arizona House reelection campaign and broader Maricopa County operations through voter outreach, event preparation, campaign-material distribution, yard-sign work, assignment tracking, and route-based field logistics.
- Maintain organized notes, adapt to changing priorities, confirm unclear placement requirements, and communicate concise status updates to campaign staff and supporters.

Food Runner

Serendipity Cafe and Bar · 2024 to 2025 · Redondo Beach, California

- Delivered accurate, timely service in a high-volume, 85-plus-table restaurant through food running, expo, stock organization, customer service, and coordination with servers, bartenders, and kitchen staff during peak periods.

POLITICAL LEADERSHIP AND CIVIC ENGAGEMENT

Director of Communications

College Republicans at ASU · August 2026 to Present · Tempe, Arizona

- Serve on the chapter board and coordinate audience-aware communications for meetings, events, outreach, member engagement, and organization updates; verify names, dates, locations, links, and calls to action before publication.

EDUCATION AND HONORS

Arizona State University

Bachelor of Arts in Political Science · 2025 to 2029 (expected) · Tempe, Arizona

- Spring 2026 Dean's List, The College of Liberal Arts and Sciences
- Academic focus: Political institutions, public policy, elections, legal processes, political communication, research, and civic leadership; evaluate current political and policy issues, compare sources, organize evidence, and communicate analysis through writing, presentations, and discussion.

South Torrance High School

High School Diploma · Graduated 2025 · Torrance, California

- Video Production: Full California CTE Elective Pathway Completion. Completed Video Production 1 and Video Production 2 across two academic years; awarded an official pathway-completion certificate in June 2025.

CIVIC LEADERSHIP AND PROFESSIONAL DEVELOPMENT

Arizona Constitutional Summit

Accepted participant · August 18, 2026 · Arizona House of Representatives · Phoenix, Arizona

- Accepted through an application process; attended Arizona House programming on political leadership, the legislative process, and public-service careers.

Govee Community Ambassador

Selected 2026 ambassador · July 1 to December 31, 2026 · Govee Community

- Test pre-release Govee products as a Community Ambassador and promote them through Govee Community content.

Govee Home V7.6 Beta Test

Software beta-test co-creation participant · Certificate issued August 7, 2026 · Govee Home app

- Tested prerelease Govee Home V7.6 features and provided feedback; certificate issued August 7, 2026.

SELECTED PROJECTS

Arizona College Republicans Website

Sole creator, web design and development · 2026

- Independently designed, built, and launched azcollegegop.org, the state board's website with 16 public pages, a searchable directory for five campus chapters, and separate alumni and board contact pages.

MPT Digital Learning

Creator & Course Developer · 2026 to Present · Arizona

- Created and published a 12-module Codex workflow engineering course with 8 field tools, 7 workflow maps, and a capstone; built and tested the accessible HTML, CSS, and JavaScript site, published through Netlify with Payhip.

Agentic AI and autonomous digital workflows

Independent AI workflow development

- Build Codex agents with Claude, Gemini, DeepSeek, Qwen, and open models for web development, research, email monitoring, and authorized replies; verify model reviews through sources, tests, and live results.

Miles P. Thomas Professional Portfolio

AI-assisted web development and content strategy · July 2026 · Arizona

- Built an accessible Next.js portfolio with verified professional content and responsive quality assurance; deployed through Netlify.

COMMUNITY SERVICE AND VOLUNTEERING

Make-A-Wish Greater Los Angeles

Youth Fundraiser · Children

- Helped run a youth-led holiday cookie fundraiser for eight December seasons at Candy Cane Lane; donated all proceeds to Make-A-Wish.

1736 Family Crisis Center

Volunteer · Social Services

- Supported a nonprofit serving children, families, veterans, crime survivors, and people experiencing homelessness.

spcaLA

Volunteer · Animal Welfare

- Supported animal welfare, education, intervention, advocacy, and cruelty prevention at an independent Southern California nonprofit.

SKILLS

Campaigns, research, and communications · campaign operations, voter outreach, strategic communications, public policy, research, source evaluation, copywriting, social media management, video production.

AI development and automation · Codex, agentic bots, autonomous workflows, multi-model review, MCP integrations, prompt engineering, HTML/CSS/JavaScript, Next.js, GitHub, Netlify, quality assurance.
